- Northern African & Middle Eastern People ~ Layla's* sister-in-law called from her homeland to beg her to pray. Layla's brother, Fouad*, was being held in prison, & execution was scheduled to take place. Layla, a new follower of Jesus, prayed through the night for her brother's release. Just minutes before his life was to be taken, a guard entered to say that Fouad's name had been cleared from wrongdoing & all charges had been dropped. Praise the Lord & rejoice with Layla that her brother has been set free! (*names changed)
- Muslims of Tamil Nadu, India TAH-mil NAH-doo) ~ Pray for Sheila* & Rudy*, two upper-class Muslim women who have heard the gospel but are resistant to the truth. They have had many discussions about the gospel, have been given the Word of God in their heart language, & have also received other evangelistic materials. Pray that they will examine the Word & the materials in the privacy of their homes & genuinely seek to know the truth. Petition for situations that draw them to the realization of their need for a Savior. Ask that more true believers will cross their paths & share truth with them. Pray that the Holy Spirit will continue to pursue these women relentlessly! (*names changed)
